About Fana fi Gaia - A Ziraat Retreat

Walking the Sufi path, we seek to dissolve the sense of individual self in the realization that nothing is separate in the Divine Reality. Ziraat is one ray on this path. The sacred book of Nature is its scripture.

The beautiful land of Big Bear Camp Retreat Center in the Oregon coastal mountains welcomes us to join in our love for Mother Earth. Big Bear offers the perfect setting as we work to deepen our connection with Nature and with Earth Energies. We will weave together practices of the Sufi path and Peruvian Shamanism.

Big Bear Camp Retreat Center is off the grid and with no cell phone service. For more information about Big Bear, visit bigbearcamp.org.

We will be nourished by delicious meals with a focus on organic ingredients seasoned with love by PamAllah Dussault.
